

Our Kids Are Worth It!

No Cuts, Uber Can Afford It Save Our Schools

The School District of Philadelphia must cut jobs next year unless they get more funding.

Philadelphia students cannot afford fewer teachers or other support staff. **City Council can vote to prevent those cuts.**

Speak up on behalf of students! Attend one (or more) of the upcoming public events and tell councilmembers, **"No cuts to schools!"**

Sign Up, Show Up, Speak Up. Our Kids Are Worth It.
